CANADIAN GLOBAL ENERGY FORUM

Taking Canada's Energy Sector to the World

A one-day hybrid event focusing on global opportunities for Canadian E&P companies.

Thursday, November 18, 2021
Calgary Petroleum Club

Alberta

Government of Canada / Gouvernement du Canada

Calgary is a global centre of excellence for the world's energy industry.

A unique one-day hybrid event helping Canadian companies navigate international opportunities, the Canadian Global Energy Forum brings together Canadian exploration and production companies, government, and international speakers.
Attend in person or virtually – get connected with the plays happening successfully around the world.

The Global Opportunties (GO) Program was conceived as a series of illustrative playbooks for Canadian oil and gas companies considering investing internationally, in order to provide encouragement and ideas for those considering such business.

This event is a comprehensive look back on this reports, to give Canadian E&P companies an opportunity to see the success of international operations.
