# The Canadian Oil & Gas Sector is Actively Looking for International Opportunities

## Canadian Oil & Gas Sector Strengths

- Over 100 years of industry success in Canada and globally
- Excel at unlocking value in mature basins
- Management & technical excellence
- Large service sector adept at exporting services & equipment
- Environmental, Social & Governance best practices (ESG)
- Respectful and cooperative toward all stakeholders
- Strong anti-corruption laws
- Dynamic oil and gas investment community

## What can Canadian E&P Operators, Service Companies and Investors Offer CEEC Members?

- JV partners
- Merger & Acquisition deal flow
- World class services at competitive pricing

## Who is CGEF?

Industry organization (not-for-profit) facilitating international opportunities, networking, knowledge-sharing and promotion for Canadian oil & gas companies.

Network of over 1,500 individuals and dozens of companies with interests & expertise in international oil & gas.

Annual conference and regularly held networking events where we can promote global opportunities to the Canadian Oil & Gas Sector.
