

## Order

### **Regarding the List of blocks for executing exploration, development and production operations, offered for concession by public tender call – Round XI/2019**

According to art 4, para. (4) of the Government Decision 1419/2009 on the organisation and functioning of the National Agency for Mineral Resources, with further amendments, to art.29 para. (1) of the Petroleum Law no. 238/2004 with further amendments and supplements, to chapter IV of the Methodological Rules for the enforcement of the Petroleum Law no. 238/2004, approved by Government Decision on. 2075/2004 with further amendments and supplements,

The President of the National Agency for Mineral Resources issues the following Order:

Art. 1 – The National Agency for Mineral Resources, as the competent body to enforce the provisions of the Petroleum Law no. 238/2004, with further amendments and supplements, offers by public tender call the concession of the exploration, development and production operations in the blocks provided in the Appendix which is an integral part of the current Order.

Art. 2 – The impact of the petroleum operations over the protected species, natural habitats, protected areas and landscapes, as well as over the environment components, respectively air, water, soil and over the local community is to be determined according to the national and European legal framework related to the environment and waters protection domain.

Art. 3 – The criteria for evaluation the offers and of the technical and financial capacity of the bidders are provided in the Methodological Rules for the enforcement of the Petroleum Law no. 238/2004, approved by the Government Decision no. 2075/2004, published in the Romanian Official Gazette, Part I, no. 1170 from 10th December 2004, with further amendments and supplements. The scoring related to each evaluation criteria is set in the procedure for organising the public tender call provided in art. 7 para. (2) of the current Order.

Art. 4 – The interested Romanian or foreign legal persons will submit offers, drafted in the Romanian language which will include documents and information provided in art.32-35 from the Methodological Rules for the enforcement of the Petroleum Law no. 238/2004, approved by the Government Decision no. 2075/2004 with further amendments and supplements.

Art. 5 – (1) The offers will be submitted to the National Agency for Mineral Resources headquarters from Bucharest, 59 Dacia Blvd, district 1, post code 010407.

(2) The deadline to submit the offers for the petroleum exploration, development, production blocks offered for concession by public tender call, listed in the Appendix is 15.00 hours of the 120th working day, starting from the working day following the publication of the Round organisation announcement in the Official Journal of the European Union.

(3) The opening of the offers will be done at 10.00 hours of the first working day from the completion of the term provided in para. (2)

(4) The calendar days for submitting and opening the offers are set in the procedure for organising the public tender call provided in art. 7 para. (2).

Art. 6 – (1) For drafting the offers, the National Agency for Mineral Resources makes available to the interested legal persons, geological information and data, according to art. 26 para. (3) lett. c)-g) of the the

Methodological Rules for the enforcement of the Petroleum Law no. 238/2004, approved by the Government Decision no. 2075/2004 with further amendments and supplements.

(2) The access to the geological information and data is granted following a written request, the conclusion of the confidentiality agreement and after paying the tariff for purchasing the data packages and the tariff for accessing and use of data and information from the national geological database.

(3) The data and the information provided in para. (1) and (2) will be made available to the legal interested persons starting with the publishing date of the announcement for organising Round XI for public tender call in the Official Journal of the European Union, date which represents the official start of the Round XI public tender call.

Art. 7. – (1) The organisation and the process of the public tender call for the concession of certain petroleum operations is performed according to the provisions of Government Decision no. 2075/2004 approving the Methodological Rules for the enforcement of the Petroleum Law no. 238/2004, with further amendments and supplements.

(2) The organising procedure of the public tender call, including details of the evaluation criteria, the scoring related to the financial capacity, technical capacity, the exploration program and the environment rehabilitation project, as well as the deadlines to evaluate the offers and the nomination of the winner and the draft of the petroleum agreement, may be obtained free of charge from the National Agency for Mineral Resources following a written request or can be found on the web page: [www.namr.ro](http://www.namr.ro), after the official start of the Round XI for public tender call.

(3) The official correspondence regarding the Round XI for public tender call should be addressed to: Agentia Nationala pentru Resurse Minerale, bd. Dacia nr. 59, 010407, sector 1, Bucuresti, Romania.

(4) Supplementary information may be requested at the National Agency for Mineral Resources headquarters or on the web page: [www.namr.ro](http://www.namr.ro) or at the e-mail addresses: [namr@namr.ro](mailto:namr@namr.ro) and [sorin.gal@namr.ro](mailto:sorin.gal@namr.ro)

Art. 8 – The negotiation of the petroleum agreements starts within 15 days from the notification date of the tender winner, if no challenges have been filed.

Art. 9 – The proposed deadline for the conclusion of the petroleum agreement is maximum 9 months from the term provided in Art. 8, except for situations when the process of performing the evaluation procedure for the environmental impact for some blocks requires the performance of a complete procedure of environmental impact.

Art. 10 – The current Order is published in the Romanian Official Gazette, Part I and is enforced starting with the publication date.

For the President of the National Agency for Mineral Resources  
Vasile Botosaru

Bucharest, 11th July 2019
