

# The next big shale Opportunity in Argentina

## Palermo Aike

SPEAKERS

**Claudio Vidal**  
Governor  
Santa Cruz Province

**Pablo Chebli**  
Board member  
CGC

**Jaime Álvarez**  
Minister of Energy and Mining  
Santa Cruz Province

Palermo Aike is an emerging unconventional shale play located in Santa Cruz, described as the potential “new” Vaca Muerta. It is estimated to hold 6.6–10 billion barrels of oil.
